

Announcement of Study Program and scholarships

International MSc in Rural Development - Atlantis

For **Bachelors or Masters** interested in **Integrated Rural Development and Agricultural Economics**

Seeking

- An **International joint degree (IMRD) or double Master Degree (Atlantis)**
- Study of International Visions on Rural Development involving comparative and diverse approaches and applications
- Specialisation through Multi-Disciplinary Training in technical, economic and social sciences
- a high extent of Worldwide Mobility

We offer a **2-year International ERASMUS MUNDUS Master program** with two tracks:

IMRD

This master program is jointly offered by Ghent University (Belgium), Agrocampus Ovest (France), Humboldt University of Berlin (Germany), Wageningen University (The Netherlands), the Slovak University of Agriculture in Nitra (Slovakia) and the University of Pisa (Italy), in collaboration with Pretoria University (South-Africa), the University of Agricultural Sciences, Bangalore (India), ESPOL (Ecuador), Nanjing Agricultural University and China Agricultural University (China).

ATLANTIS

This master program is offered by the IMRD-EU consortium partners, in collaboration with the University of Arkansas and University of Florida (US). This program leads to a double degree (European and US) in rural development and agricultural economics.

Applications for the academic years 2012-2014 (start September 2012) can be made to Gent University from September 2011.

EM scholarships are available for the IMRD track for both European and non-European students. Deadline for application: 31/12/2011
