After the application submission, the system will issue a receipt proving that the registration is complete.

This receipt, marked by a unique serial number, is the only document proving the accurate completion of the registration: in the event of a dispute, only candidates that can supply the receipt are allowed to take part to the exam.

## Fees

Some admission exams may require the payment of a fee to join the selection. In that case, at the end of the registration procedure, the system will release an individual electronic invoice.

The fees can be paid by the deadline, at any bank, once in Pisa or online from abroad.

In this case, please use the University of Pisa bank account:

"Banca di Pisa e Fornacette Credito cooperativo"

Via Tosco Romagnola 101/ A Fornacette (PI)

IBAN CODE: IT2700856270910000011156460

BIC/SWIFT CODE: BCCFIT33.

The payment description should report the electronic invoicing code. Candidate should then send evidence of payment to the fax number +39 0502213408.

In both cases, candidates are invited to keep their e-invoice carefully, as evidence of payment.

If received after the deadline, the payment will not be accepted, and the candidate will be excluded from the selection.

The admission fee is not refundable in any case.
