Director: Dr. Ascenzo Farenti

Call for the selection of no. 1 short-term Research Associate position:

The University of Pisa announces the public selection for the assignment of n. 1 research activities grant (hereinafter referred to as Research Grants):

“Transformations of the ancient model of spontaneity in modernity: interpretations from an epoch of crisis”

at the Department of Civilizations and Forms of Knowledge

Scientific sector M-FIL/01 - Theoretical Philosophy

Contract duration: 12 months

Gross annual salary: € 19.367

Admission requirements:

PhD or equivalent academic qualification awarded abroad or Medical Specialty School qualification. All qualifications shall be awarded by the interview's date.

Applications:

Applications must be submitted online only, using the following link: <https://pica.cineca.it/unipi/>

or shall be invalid. It is necessary to have an email inbox to login and complete the application.

Candidates can login PICA platform using the digital identifier SPID (Sistema Pubblico d'Identità Digitale - Public Digital Identity System), selecting the University of Pisa from the available Institutions. If candidates have no SPID, they can request it according to the procedures set forth on the website www.spid.gov.it.

Candidates can also login with the credentials issued directly by PICA platform (please note: in order to apply online, the system requires an e-mail inbox for self-registration), with their LOGINMIUR, REPRISE or REFEREES account.

Applicants should provide all the required data and upload all documents in PDF format.

The system allows saving an application draft within the application deadline, recording the online application date and sending a receipt with an automatic e-mail reply. After the deadline, the system will not allow login nor application submission.

Each application will be assigned a unique identification number to be referred to in all subsequent communications, along with the selection code provided by the application form.

Under penalty of exclusion, the application shall be valid only if including all the required data, the copy of a valid ID and:

- if submitted **without** accessing with digital identifier SPID, the applicant's signature is compulsorily required;
- If submitted by accessing with digital identifier SPID, the application will be automatically processed by the system and the applicant's signature is not required.

Applicants undertake to promptly communicate in writing any variations of what declared in the application form.

The communication shall be edited in PDF format, signed and forwarded to the Rector of the University of Pisa by the Italian certified e-mail system address (P.E.C. Posta Elettronica Certificata): protocollo@pec.unipi.it or emailed to concorsi_assegni@unipi.it, within the application submission deadline.

Applicant's valid identification document shall be annexed.

For further information on application submission, please refer to concorsi_assegni@unipi.it

If any IT malfunctioning occurs, please refer to unipi@cineca.it.

Applications shall be completed with the following annexes:

1. A self-attested Curriculum of the personal didactics, teaching and scientific activities, dated and signed;
2. The qualifications the applicant considers eligible for this selection;
3. The Publications the applicant considers eligible for this selection;
4. A list of Publications and qualifications, dated and signed;
5. A copy of the tax code (if applicable) and identification card/passport;

All publications should not exceed 30 megabyte and should be submitted in PDF format only, using the specific section of the application form.

If the file submitted exceeds that size, it can be forwarded by PEC (the Italian certified e-mail system address) to protocollo@pec.unipi.it with the application unique identification number.

Publications must be uploaded.

Selection procedure:

For each selection procedure, the Director of the involved Department will appoint a Committee of three members.

The selection is assessed by qualifications and possible interview.

The possible interview will aim at assessing whether the candidate is provided with adequate knowledge of the topics relating to the scientific field that underlies the research programme, as well as aptitude and potential for the programme development.

The maximum rating allowed is 100/100. Academic qualifications and publications will be assigned up to 90 points. The interview will be assigned up to 10 points, with a minimum passing rate of 6/10. The ranking list will be drafted considering both ratings.

The Committee might resolve to interview candidates in the event:

- the qualifications and publications assessment does not result in an exhaustive outcome
or
- candidates have been admitted under condition and the Committee shall verify their PhD or any equivalent qualification obtained abroad, or, when required, the Medical Specialty

School qualification.

The possible interview will be held remotely using a video meeting platform, on **30th June 2021 at 10 am**.

During the two days before the scheduled interview, candidates are requested to check the relevant page on the University website <https://www.unipi.it/ateneo/bandi/assegni/2021/index.htm>:

- whether the committee resolved on the interview: all the instructions for the remote interview and/or further information about possible postponement of the interview's date;
- whether the committee resolved not to carry out the interview: the related explanatory statement.
