If the file produced exceeds that size, it is possible to forward it by PEC (the Italian certified e-mail system address) to protocollo@pec.unipi.it with reference to the application.

Publications must be uploaded.

Selection procedure:

For each selection procedure, the Director of the Department concerned will appoint a Committee, consisting of three members.

The selection is assessed by qualifications and interview.

The interview will be aimed at assessing whether the candidate is provided with adequate knowledge of the topics relating to the scientific field that underlies the research programme, as well as aptitude and potential for the programme development.

The total rating allowed is 100/100. Academic qualifications and publications will be assigned up to 60 points. The interview will be assigned up to 40 points, with a minimum passing rate of 24/40. The ranking list will be compiled considering both ratings.

No more than no. 6 candidates are admitted to the interview. In this event, according to the scores assigned in the qualifications and publications assessment, the Committee will admit to the interview the candidates obtaining the six top scores, plus those having obtained a score equal to the candidate ranked as sixth in the preliminary ranking, if any.

The interview will be held remotely using a video meeting platform, on **15th June 2021 at 10 am**.

During the two days before the interview's date, candidates are requested to check the relevant page on the University website <https://www.unipi.it/ateneo/bandi/assegni/2021/index.htm> in order to verify:

- all the instructions for the remote interview and/or further information about possible postponement of the interview's date;
- the list of candidates admitted to the interview, in the event of a restricted number of candidates
