If the file produced exceeds that size, it is possible to forward it by PEC (the Italian certified e-mail system address) to protocollo@pec.unipi.it with reference to the application.

Publications must be uploaded.

Selection procedure:

For each selection procedure, the Director of the Department concerned will appoint a Committee, consisting of three members.

The selection is assessed by qualifications and possible interview.

The possible interview will be aimed at assessing whether the candidate is provided with adequate knowledge of the topics relating to the scientific field that underlies the research programme, as well as aptitude and potential for the programme development.

The total rating allowed is 100/100. Academic qualifications and publications will be assigned up to 90 points. The interview will be assigned up to 10 points, with a minimum passing rate of 6/10. The ranking list will be compiled considering both ratings.

The Committee might resolve to interview candidates in the event:

- the qualifications and publications assessment doesn't result in an exhaustive outcome
or
- candidates have been admitted under condition and the Committee shall verify the awarding of the PhD or any equivalent qualification obtained abroad, or, when required, the Medical Specialty School qualification.

The possible interview will be held remotely using a video meeting platform, on **28th June 2021** at **11 am**.

During the two days before the interview's date, candidates are requested to check the relevant page on the University website <https://www.unipi.it/ateneo/bandi/assegni/2021/index.htm> in order to verify:

- whether the committee resolved on the interview: all the instructions for the remote interview and/or further information about possible postponement of the interview's date;
- whether the committee resolved not to carry out the interview: the related explanatory statement.
