Selection procedure:

For each selection procedure, the Director of the Department concerned will appoint a Committee, consisting of three members.

The selection is assessed by qualifications and an interview.

The total rating allowed is 100/100. Academic qualifications and publications will be assigned up to 60 points. The interview will be assigned up to 40 points, with a minimum passing rate of 32/40. The ranking list will be compiled considering both ratings.

The interview, relating to the research program, will be held on **14th november 2018** at **9 am** at the Department of Computer Science - Largo B. Pontecorvo, 3 - Pisa.

Candidates living abroad, and therefore unable to attend the interview at the University of Pisa, will be allowed to be interviewed via web or conference call, prior to applicant's identification by approved international universities or research centers and upon Selection Committee approval. The Selection committee is appointed to establish the duly examination of the candidates and shall acquire each candidate's copy of an identity card or passport.

In the event of a single candidate, the Committee can assess all the academic qualifications and publications and can approve the candidate without the interview.

In this case, the Committee is appointed to communicate its decision to the Staff Management that will inform the candidate during the two days before the interview's date on the website https://www.unipi.it/ateneo/bandi/assegni/asse2018/index.htm. A similar notice will be published in case the Committee in unable to conform to the date set for the interview.

Nonetheless, we invite candidates to check the University website (https://www.unipi.it/ateneo/bandi/assegni/asse2018/index.htm) during the two days before the interview's date.
