www.unipi.it/tuition-fees

SEE YOU IN PISA!
COMING AND THRIVING

- Enjoy a valuable and multicultural learning experience
- Gain strong quantitative skills
- Learn from a multidisciplinary approach
- Benefit from traineeships in prestigious international institutions
- Establish a valuable network of contacts for your future career

PROFESSIONAL PERSPECTIVES

“Career opportunities are mainly focused in professions with strong research content within corporations, international organisations, public and private research centres, consulting firms, regulatory authorities, central banking, and other professions requiring strong analytical skills.”

UNIVERSITÀ DI PISA

The University of Pisa (UNIPI) is a public institution boasting twenty departments, with high level research centres in the fields of agriculture, astrophysics, computer science, engineering, medicine and veterinary medicine.

Established in 1343, UNIPI is one of the most prestigious Italian higher education institutions and a modern centre for teaching and advanced research. One of the University’s main strategies is that of internationalisation as it aims to engage with students and researchers and establish long-term partnerships with universities and public and private institutions from all over the world.

With a current student population surpassing 44,000, UNIPI offers a large number of degree programmes held in English and a variety of exchange programmes.

The online application form is available at https://mseadmission.ec.unipi.it/index.php. It must be clearly completed and signed by the applicant and submitted with the following documents:

1. Curriculum Vitae
2. Course transcript (with final grade obtained for each course)
3. Detailed programs of Mathematics, Statistics and Micro and Macro Economics courses contained in Curriculum Studiorum. Candidates must also possess a good knowledge of theoretical and quantitative tools at undergraduate level
4. Bachelor's diploma (if applicable)
5. Certificate of knowledge of the English language (TOEFL, IELTS, CBT, etc.) or personal declaration. Candidates must be able to understand and express themselves both in spoken and in written English
6. Copy of a valid international ID

ADMISSIONS AND REQUIREMENTS

UNIPI OFFERS

- A valuable and multicultural learning experience
- Strong quantitative skills
- A multidisciplinary approach
- Traineeships in prestigious international institutions
