BIT Exchange Special Scholarship Proposal for International Students
From Università di Pisa
2020-2021

Beijing Institute of Technology (BIT) is offering 5 BIT Exchange Special Scholarship for exchange students from your prestigious university to study in BIT for one or two semesters for the academic year 2020-2021.

➢ Overview of the BIT Exchange Special Scholarship

The BIT Exchange Special Scholarship covers the tuition fee and EUR1000/semester. The scholarship will be offered to the students enrolled in ENGINEERING programs during their stay in Beijing Institute of Technology for the period of the exchange program.

Exchange students to BIT can study in the regular engineering programs conducted in English or Chinese.

We receive students from undergraduate and master level from the home university, except the first and second year undergraduate students. The exchange program extends from one semester to two semesters in the academic program.
