

**English-taught Programs at C**

<b>Number</b>	<b>Degree</b>	<b>Schools/departments</b>
1	Master	School of Civil Engineering
2		College of Environment and Ecology
3		School of Economics and Business Administration
4		College of Mechanical Engineering
5		
6		College of Aerospace Engineering
7		School of Electrical Engineering
8		School of Bioengineering College
9		School of Microelectronics Communication Engineering
10		School of Construction Management and Real Estate
11		School of Architecture and Urban Planning
12		
13		
14		School of Big Data and Software Engineering
15		School of Civil Engineering
16		College of Environment and Ecology
17		School of Electrical Engineering
18		School of Economics and Business Administration
19		School of Bioengineering College

20	Ph.D.	School of Microelectronics Communication Engineering
21		
22		School of Architecture and Urban Planning
23		
24		College of Mechanical Engineering
25		School of Chemistry and Chemical Engineering

<b>COU</b>
<b>Programs</b>
Civil Engineering
Resource and Environment
International Business
Logistics Engineering and Management
Mechanical
Mechanical
Energy and Power
Biomedical Engineering
Electronic Information
Project Management
Landscape Architecture
Urban Planning
Architecture
Software Engineering
Civil Engineering
Environmental Science and Engineering
Electrical Engineering
Business Administration
Biomedical Engineering

Information and Communication Engineering
Landscape Architecture
Urban Planning
Architecture
Mechanical Engineering
Chemistry
