

VASCERN SUMMER SCHOOL 2024

We have the pleasure to invite you to apply to the 1st edition of the VASCERN Summer School in 2024!

Calling all medical students (undergraduates, masters students, PhD students) and trainees at any European university! Are you ready to learn about rare vascular diseases from a multidisciplinary perspective? Apply now for our Summer School!

Don't miss out! Send your CV and Letter of Motivation to erasmus@vascern.eu by November 19, 2023.

Find all the details in our [Flyer](#) and [Candidate Information Booklet](#). Want even more information? Visit our website [here](#).

Learn from Europe's leading experts and patient representatives about rare vascular diseases such as Marfan syndrome, Hereditary Haemorrhagic Telangiectasia, vascular Ehlers-Danlos syndrome, CADASIL, Moyamoya Angiopathy, Pediatric and Primary Lymphedema, and various vascular anomalies. Plus, explore online courses in genetics, research, psychology, and medicine.

Dates & Location

-  Online Summer School: February - May, 2024.
-  On-site Summer School: September 23-28, 2024 in Paris.
