Commitment of the three parties

By signing this document, the student, the Sending Institution, and the Receiving Institution confirm that they approve the Learning Agreement and that they will comply with all the arrangements agreed upon by all parties. Sending and Receiving Institutions undertake to apply all the principles of the Erasmus Charter for Higher Education relating to mobility for studies (or the principles agreed in the Inter-Institutional Agreement for institutions located in third countries not associated to the Programme). The Beneficiary Organisation and the student should also commit to what is set out in the Erasmus+ grant agreement. The Receiving Institution confirms that the educational components listed are in line with its course catalogue or as agreed otherwise and should be available to the student. The Sending Institution commits to recognise all the credits or equivalent units gained at the Receiving Institution for the successfully completed educational components and to count them towards the student's degree. The student and the Receiving Institution will communicate any problems or changes regarding the study programme, responsible persons and/or study period to the Sending Institution.
