

### Results of the Coordinator-MSCA-DN@UNIPi Call 2026

The evaluation procedure for the **14** applications submitted in response to the **Coordinator-MSCA-DN@UNIPi Call 2026** has been completed. Below, we publish the list of the proposals selected for the consultancy service, listed according to the identification number assigned upon receipt of the proposals.

The **5** selected researchers will be contacted in the coming days to activate the support service.

| ID proposal |
|-------------|
| 6           |
| 9           |
| 10          |
| 12          |
| 13          |
