

## Medical Area Internships

The questionnaire is intended for students enrolled in the Single-Cycle Master's Degree Programme in Medicine and Surgery (LM-41) starting from the academic year 2024/2025.

The model takes into account ANVUR guidelines and the needs of the Degree Programme of the University of Pisa.

1	In general, were the practical activities carried out during the internship in line with the objectives of your university career?	A	No
		B	Partially
		C	Somewhat
		D	Yes
2	Generally, when did you take the courses in clinical disciplines in relation to the internship periods in the different wards?	A	Before
		B	After
		C	At the same time
3	To what extent was the prior knowledge you possessed at the time of the internship, which you acquired during the Study Programme, sufficient for you to participate effectively in the practical activity?	A	Very inadequate
		B	Insufficient
		C	Sufficient
		D	Very good
4	How were the training objectives and skills to be acquired during the internship activity described in the teaching sheets for all rotations?	A	Unclearly
		B	Not very clearly
		C	Fairly clearly
		D	Very clearly
5	Was the time spent on each internship rotation sufficient to achieve the objectives described in the teaching sheets?	A	No
		B	Partially
		C	Somewhat
		D	Yes
6	Was there any overlap in the timetable between compulsory frontal teaching and the time to be spent on internship activities?	A	Never
		B	Sometimes
		C	Often
		D	Always

7	Were you assigned a tutor in each internship rotation?	A	Never
		B	Sometimes
		C	Often
		D	Always
8	On average, how many students were assigned to the same tutor at the same time?	A	1-2
		B	3-4
		C	5-6
		D	More than 6
9	Were the tutors available for clarifications and explanations?	A	Never
		B	Sometimes
		C	Often
		D	Always
10	Did the tutors stimulate interest in the subject?	A	Never
		B	Sometimes
		C	Often
		D	Always
11	Have tutors involved you in hospital ward activities?	A	Never
		B	Sometimes
		C	Often
		D	Always
12	Overall, how satisfied are you with the activities carried out during the internship?	A	Dissatisfied
		B	Slightly satisfied
		C	Fairly satisfied
		D	Very satisfied
13	How useful do you think the internship activity was for your education?	A	Useless
		B	Not very useful
		C	Fairly useful
		D	Very useful

14	How interested in the medical profession have you grown during the internship activity?	A	Not interested at all
		B	Not very interested
		C	Fairly interested
		D	Very interested
15	Are the facilities at which the professionalizing internship takes place (equipment, premises, organisation of departments etc.) adequate?	A	Definitely no
		B	More no than yes
		C	More yes than no
		D	Definitely yes
16	Did the professionalizing internship activities enable you to acquire adequate knowledge and practical skills that you can use effectively in the world of work?	A	Definitely no
		B	More no than yes
		C	More yes than no
		D	Definitely yes
17	Are tutors present and available?	A	Never
		B	Sometimes
		C	Often
		D	Always
18	Did the actual implementation of the professionalizing internship activities follow the planned timetable?	A	Definitely no
		B	More no than yes
		C	More yes than no
		D	Definitely yes
